WHAT TO EXPECT

Envision

CONNECT TODAY TRANSFORM TOMORROW

FIRST EDITION
JANUARY 2017

THE VISION

IISER Bhopal is proud to announce its Alumni Association, which will preserve the bond between the students and the college in this fast moving environment. It will give an opportunity to stay connected and get latest news of your university through various events, newsletters, reunions, workshops, conferences, symposiums!

THE MISSION

Since its inception in 2008, the student strength has rose to 1500+ including all the disciplines. Over the years, many students have graduated and we can expect the Alumni base to reach 350+ by the mid of 2017.

IISER Alumni will be an active participant going forward and constantly post latest happenings from the campus.

IISER Alumni is working towards re-launching the Alumni website for the students. You need to wait for your next newsletter for more information on the features provided by the website.

WHY SHOULD YOU GET INVOLVED?

Your feedback, involvement, career advice and motivating experiences as an alumni will be incredibly valuable for our program and students. We would like us all to be connected, please join hands to share your wonderful thoughts and inspire the next generation for a better tomorrow.

WHERE TO MAIL US

Institute of Science Education and Research Bhopal
Bhopal Bypass Road, Bhauri,
Madhya Pradesh, India
Bhopal 462 066

TO THE ALUM

IF YOU ARE AN ALUM, AND
