## ALUMNI MEET - US

Our honorable Director (Prof. Vinod K Singh) will be visiting the US in the month of February'18. Our office has decided to organize a get-together of all our Alumnus currently residing in the US during our Director Sir's visit who will also be a part of the celebration.

This will be an event to cherish your golden memories and also a chance to discuss on Career Opportunities at IISER Bhopal. We are happy to invite all the alumni of IISER Bhopal who are currently residing in the US to be a part of the event and make it a grand success.

In this regard, we have contacted all our Alumni residing in the US. In case we may have missed writing to someone, please feel free to contact us so that we will include you in all our future correspondence.

We request Alumni to confirm their interest in attending the event by sending an e-mail to the ID given below.

Also, we need volunteers to organize the event in the US who will be in direct contact with our office at IISER Bhopal. Interested Alumni can send us an e-mail confirming their interest to be a part of the organizing team.

### Interested Alumni can

@ Swathisree@iiserb.ac.in

The community members of IISER Bhopal were busy with various activities this month.

## Hindi Pakhwada

1st - 14th September'17

We celebrated the "Hindi Pakhwada" at IISER Bhopal from 1st - 14th September 2017. Many enthusiasts participated in various competitions held in that fortnight. There was an overwhelming response for "Kavi Sammelan" which was organized on 14th September 2017 and this event stood as the highlight of the programme.

## Swachchata Pakhwada

1st - 15th September'17

The community members were associated with the following activities during the Swachchata fortnight:

Planting Trees in the Campus  
Cleanliness Drive/Vaccination Drive to dogs

Our Community Members have actively participated in all the activities including below-mentioned Competitions that were held during the fortnight:

Online Essay Competition  
Slogan Writing and Poster Making  
Cleanest Mess/Hostel Room

## SINGULARITY'17 (ANNUAL SCIENCE FESTIVAL)

Date of the Event: October 13, 14, 15

Singularity was started in 2010 in the

form of a Science Club with an aim to create an ambience of science as an extra-curricular activity at IISER-B. The year 2014 saw its first ever science fest and garnered immense response over the years which inspired us to conduct the science fest even this year.
